How to Sign In to RUPublicSchoolStudents.ND.gov

Single Sign-On (SSO) Update

A new way to sign in to RUPublicSchoolStudents.ND.gov through Infinite Campus is coming soon!

How to Sign In Right Now

Until the new sign-in option is available in Infinite Campus, public school students can access their RUPublicSchoolStudents accounts by signing in directly at RUPublicSchoolStudents.ND.gov.

Step 1: Enter Your Username

Your username is based on your legal first and last name and date of birth. Use this format:

nd.lastname.firstname.mmddyyyy

Replace lastname with your last name, firstname with your first name, and mmddyyyy with your date of birth (month, day, and four-digit year). **Include a zero for single-digit months or days.** For example, February 3, 2012, is 02032012.

Step 2: Enter Your Temporary Password

The first time you sign in, your temporary password is your **date of birth** in this format:

mmddyyyy

Enter your birth month, day, and four-digit year without slashes or spaces. Use the same date format shown in Step 1.

Step 3: Create a New Password

The first time you sign in, you will be asked to create a new password. Follow the on-screen instructions.

Need Help?

If you have trouble signing in, ask your school counselor, teacher, or another school staff member for help.
