

**Minutes for State Board for Career and Technical Education
Survey Subcommittee**

The meeting of the State Board for Career and Technical Education Survey Subcommittee was held on Tuesday, May 21, 2024, via Microsoft Teams. It began at 9:00 am CT.

Present:

Mr. Mike McHugh
Mr. Wayde Sick
Ms. Marcia McMahan
Ms. Laurie Elliott

Also present: Lorie Ruff

Due to inadequate attendance, only informative information was shared by training team. They feel that only a likert scale should be used and Board members should be using the data from progress to meet goals and other measures set forth by the Board. Wayde should not share results that are not related to Board goals as these would be Wayde's directions for personal growth tools. An example would be using the Gallop Poll results for Department feedback to use as a guide for the agency.

The training team will look at the previous survey and develop a tool to be reviewed by members at the next meeting.

The next meeting will be May 29, 2024, at 9:00 am CT via Teams.

The meeting adjourned at 9:32 am.
