

Rev. 5-28-26

ASE Live Webinars June 2026

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate.

REMINDER! ASE live webinars take place on Tuesdays. Still one hour, still 4 pm Eastern time, still providing certificates of attendance, still available to view as a recording (see the separate calendar of recorded webinars). **Note that this calendar also has two special-event sessions on Thursdays.**

Not sure you can attend the live session? **Register in advance** to receive an email after the live session with details on how to view a recorded version and receive a certificate.

IMPORTANT: The Register links on this calendar automatically expire upon completion of the live webinar on that date. The registration link for the recorded version of each webinar will then appear on a future version of the Recorded Webinar Calendar.

Mark your calendar! The 2026 ASE Instructor Conference takes place in Frisco, TX, July 20-23, 2026! [Click here to check it out!](#)
