

Inspiring Tomorrow

CTE Educators Workshop

July 7-10, 2026

Advanced Technology Center, Bismarck State College

Free Workshop

Priceless Experience

Equip yourself with the tools and insights to prepare North Dakota's future workforce in automation, energy and advanced manufacturing. This workshop delves into Industry 4.0 technologies (Fanuc robots, PLCs, drones, 3D printing), advanced and assistive technologies and crucial inclusive practices that empower individuals with disabilities with the employability skills needed for Competitive Integrated Employment.

Spots are limited!
