Build Your Future Workforce Today

With Compass by Golden Path Solutions

Find your future talent with **Golden Path Solutions** and our online platform **Compass.**

All North Dakota middle school through high school students have access to Compass through RUReady.ND.gov, a career exploration and education planning platform provided by the North Dakota Department of Career and Technical Education. All North Dakota University System students also have access.

Start with a free membership at compass.goldenpath.net/signup/newemployer.

Create an employer account to:

Connect with schools

Participate in career fairs, classroom visits, company tours, job shadows, and more through our Employer Connections Database. Go to Compass >> Profile >> Update the ECD.

Highlight your company and careers

Help students understand who you are and the careers you offer. Compass matches students to organizations and opportunities based on their skills and interests. Go to Compass >> Edit Information.

Offer work-based learning

Promote internships, pre-apprenticeships, summer jobs, and other hands-on experiences – and manage student applications and activity in Compass. Go to Compass >> Opportunities >> WBL.
