This publication contains information and forms necessary to operate a North Dakota PBL chapter for the 2020-2021 school year.
Future Business Leaders of America-Phi Beta Lambda, Inc. (FBLA-PBL) is the largest career student business organization in the world. Each year, FBLA-PBL helps over 230,000 members prepare for careers in business. FBLA-PBL inspires and prepares students to become community-minded leaders in a global society through relevant career preparation and leadership experiences.

**FBLA Goals:**

- Develop competent, aggressive business leadership
- Strengthen the confidence of students in themselves and their work
- Create more interest in and understanding of American business enterprise
- Encourage members in the development of individual projects that contribute to the improvement of home, business, and community
- Develop character, prepare for useful citizenship, and foster patriotism
- Encourage and practice efficient money management
- Encourage scholarship and promote school loyalty
- Assist members in the establishment of occupational goals
- Facilitate the transition from school to work

**FBLA Creed:**

I believe education is the right of every person.

I believe the future depends on mutual understanding and cooperation among business, industry, labor, religious, family, and educational institutions; as well as people around the world. I agree to do my utmost to bring about understanding and cooperation among all of these groups.

I believe every person should prepare for a useful occupation and carry on that occupation in a manner that brings the greatest good to the greatest number.

I believe every person should actively work toward improving social, political, community, and family life.

I believe every person has the right to earn a living at a useful occupation.

I believe every person should take responsibility for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.

I believe I have the responsibility to work efficiently and to think clearly. I promise to use my abilities to make the world a better place for everyone.

**FBLA Pledge:**

I solemnly promise to uphold the aims and responsibilities of the Future Business Leaders of America, and as an active member I shall strive to do my best to develop the qualities necessary in becoming a responsible business leader.
PREFACE

The 2020-2021 edition of the North Dakota PBL Chapter Handbook should replace any versions that were used in past years.

Members and advisers are reminded that this document contains only North Dakota PBL forms and North Dakota PBL competitive event regulations and procedures. Every chapter should have access to the Chapter Management Handbook published for active chapters by the national FBLA office. The most recent version of the Chapter Management Handbook can always be found on the FBLA-PBL website at www.fbla-pbl.org.

There have been numerous changes and additions to this edition of the handbook, and we ask that you please contact the North Dakota PBL State Office if there are errors or omissions. Highlights of this year’s changes appear below. However, please read through the entire handbook as your chapter prepares for the State Leadership Conference, and please pay close attention to the checklist of deadline dates that appears in the “Official Information” section of the handbook.

Changes to this edition:
- Modified Event—Administrative Support Technology—combine production test events Administrative Technology and Computer Applications into one new production test event.
- Modified Events – Future Business Educator, Future Business Executive, and Job Interview – application materials will be submitted for prejudging. PDFs will be submitted using an online form by the designated date.
- Modified Events—Financial Services, Global Analysis & Decision Making, Hospitality Management, Human Resource Management, Management Analysis & Decision Making, Marketing Analysis & Decision Making —Role Play Events will now receive the case study the night before the event; judges will be given a set of questions to ask about each event. These events will not be categorized as Collaborative Objective Test and Presentation with Equipment.
- Rating Sheets – ND PBL will use National PBL competitive event rating sheets.

Reminders:
- Competitors need to read/use the state guidelines for SLC and read/use the national guidelines for NLC. The guidelines are different for some events!
- Over the past few years, a number of events were removed from the North Dakota PBL competitive event program to eliminate events that have had limited participation over the last several years and to promote more competition in the remaining events. Any events that were eliminated are still part of the national PBL competitive events program, and if members wish to participate in these events at the national level, a request can be made for a member to do so.
- Event guidelines were modified to no longer use projectors for presentation events – competitors present directly from their laptops/devices.
- Performance events and interviews are not open to conference attendees.
- Since the State Leadership Conference is being held in a conference center this year, there will be a limited number of computers available for online testing. Students are encouraged to bring their own laptops when possible, and they will be given the web address and password to log on in order to take the online test.

Who's Who in North Dakota PBL Award

Every PBL chapter should name at least one PBL member to receive the Who's Who award. Every chapter has a winner. State PBL officers are not to be local chapter winners. They receive the award automatically. This award should be given to the person most deserving for service to the local PBL chapter, not necessarily the president, but the member who is always present, always willing to help, etc.

Chapters may have one or more Who's Who recipient.
