Resources and Materials:

- Social Media in Career Planning activity sheet
- Career Outlook, Finding Your First Job as a Teen?, page 62
- Internet access

Leading Questions and/or Comments:

This lesson will inform students about the changing face of social networking as well as the benefits and dangers.

Ask/state the following:

- How many of you use Facebook? Twitter? Instagram? Snapchat? Other social networking sites?
- What uses does it serve for you and others you know? (Write on board)
- We are going to explore the ways that social networking can help you or become a hindrance.

Activities:

Do the following:

- Using the Social Media in Career Planning activity sheet, divide students into groups of 3-4 with each group having access to a computer or smartphone.
- Have students complete the group activity and answer the questions in the worksheet.
- When they are all done with the worksheet, each group can share their answers with the class.

Making Connections for Students:

Tell the students:

- Social networking sites have so many benefits in staying connected and reconnecting with friends and family to meeting new people. When used properly and with common sense and care, they can be an asset to planning for your future.

Optional Activities:

Have students:

- Use RUReady.ND.gov to journal in their portfolio what they have learned about social networking and how it could affect their future positively and negatively.
- Evaluate their social networking sites to see if they have appropriate information and privacy settings.
