

What Does School Have to Do with a Real Job?

Have you ever asked yourself that question? Many of the skills you learn in high school do apply to what you will be doing day-to-day in a real job.

Discuss the following in class:

1. How can extracurricular activities help you develop these skills?
2. How can planning and implementing a class event, like prom or a class fundraiser, help in developing these skills?
3. Which skills in the above list can you learn through doing activities like helping with family chores or household duties? Identify two.
4. Why is it in your best interest to work on the above skills in high school?
