Establishing Balance in a School Counseling Program On-Site (Limited Availability)					
<p>School counseling programs focus on the Academic, Career and Personal/Social domains. Developing a Program of Work that is available to all students and maintains a balance between the three domains is a challenge. A review of state counseling requirements, available resources and tools will be included.</p> <ul style="list-style-type: none"> • This session will be at your school site. • Uninterrupted work time required. • The number of dates is limited for this workshop. Register to express your interest and the Career Resource Network will contact you with more information. • For this session’s hours to count toward the 15 hours required for professional development credit, it must be a minimum of 5 hours. 					

Questions? Contact the North Dakota Career Resource Network at (701) 328-9733 or ndcrn@nd.gov.

Workshop Schedule Updates Visit www.cte.nd.gov/educators/career-resource-network-crn for the latest version of the workshop schedule. Workshop dates and locations are subject to change and additional workshop dates may be added.

Registration Pre-registration for workshops is required: www.cte.nd.gov/educators/career-resource-network-crn.

Workshop Descriptions/Credit Visit www.cte.nd.gov/educators/career-resource-network-crn for a description of all workshops and more information about professional development credit that may be available to you for attending multiple workshops.

If you will be applying for the professional development credit available for attending the workshops, you will be asked to provide a detailed response to the following questions for each workshop you attend:

1. Reflections on New Learning: “What new concepts, strategies, etc. were most meaningful to you as a learner?”
2. Application of New Learning: Develop a plan for implementation of the new learning into the classroom/work situation. This may include either a lesson plan or creation of a product to be used with students.

- The credit is one (1) professional development credit from the University of North Dakota – cost \$50.
- The credit registration window will be open from April 17, 2020 to May 7, 2020.
- Participants do not need to commit to applying for credit until the credit registration window opens; but the assignment and evaluation for each workshop should be submitted within 2 weeks of attendance.
