

# Testive: Tracking Student Progress

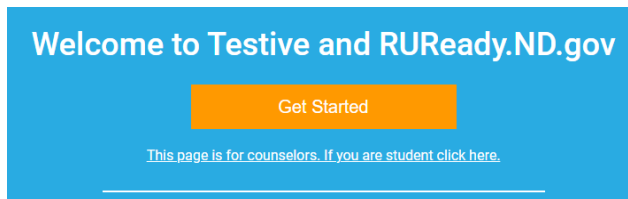

Testive is an ACT Test Preparation product available to students in grades 9-12 in North Dakota.

Professionals at schools in North Dakota can track student progress in Testive through their [RURReady.ND.gov Professional Center](https://procenter.ruready.nd.gov) account.

1. Log in to your [RURReady.ND.gov Professional Center](https://procenter.ruready.nd.gov) account <https://procenter.ruready.nd.gov>.
2. Click on the **Testive badge** on the right side of the screen.

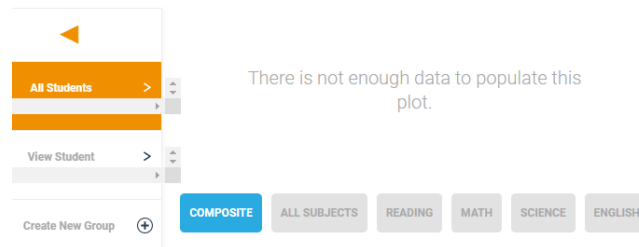

3. Click on **Get Started**

If you receive an error message that your “Analytics Portal is Not Enabled,” contact the Career Resource Network at [ndcrn@nd.gov](mailto:ndcrn@nd.gov) and include:

1. your [RURReady.ND.gov Professional Center Account Name](https://procenter.ruready.nd.gov)
  2. the email address associated with your [RURReady.ND.gov Professional Center](https://procenter.ruready.nd.gov) account
  3. the name of the school(s) that you are associated with, and
  4. the grade level(s) you serve.
4. View the analytics to track student progress and engagement on Testive.

## COMPOSITE SCORE IMPROVEMENT (OVER TIME)

**Keep in mind that until your students have completed a practice test, you will not have data to populate reports.**

- Encourage students to complete a full practice test as their first step. A “best practice” guide for students is available: [Testive: Best Practice Guide for Students](#)
- Find this and other resources on the Career Resource Network website [www.cte.nd.gov/career-resource-network-resources](http://www.cte.nd.gov/career-resource-network-resources)
