

Agricultural Education

Agricultural Education Course Options

Advanced Ag Welding & Fabrication
Agricultural Mechanics Power Systems
Agricultural Mechanics Technology I & II
Agricultural Welding & Fabrication
Agriscience Technology I, II & III
Botany/Horticulture Science I & II
Foundations of Agriculture
Introduction to Agriculture
Natural/Environmental Resources
Other CTE Courses Related to In-Demand Occupations
Energy & Transportation Technology
Exploration of Oil Industry
Petroleum Industry Skills
PLTW Environmental Sustainability
Unmanned Aircraft Systems

In-Demand Occupations

	Average Annual Wage	Average Annual Openings	Postsecondary Institution	Degree or Certificate	CTSO
Environmental Scientist & Specialist	\$72,860	34	DSU, NHSC, SBC, UTTC, UND, VCSU	BA BS	FFA
Farm Equipment Mechanic/Service Technician	\$49,000	121	NDSCS	Diploma AAS	FFA SkillsUSA
Petroleum Pump Operator, Refinery Operator & Gauger	\$70,900	100	BSC, WSC	AAS	FFA SkillsUSA
Power Plant Operator	\$87,130	34	BSC, TMCC	AAS	FFA SkillsUSA
Wind Turbine Technician	\$67,520	47	LRSC	Certificate AAS	FFA SkillsUSA
