

North Dakota Career and Technical Education Career Resource Network School Year 2023-24 Workshops

Professional Development Credit

The North Dakota Department of Career and Technical Education's Career Resource Network (CRN) offers workshops that provide training and resources to education professionals to support the usage of RUReady.ND.gov and other career planning resources.

- [Click Here to Register for Workshops!](#) or visit cte.nd.gov/crnworkshops

One (1) professional development credit is available from the University of North Dakota.

REQUIREMENTS:

- Full participation at a minimum of three (3) workshops hosted by the CRN during the 2023-24 school year.
- Completion of the Workshop Assignment and Workshop Evaluation for each workshop attended.

CREDIT REGISTRATION:

- Registration for the professional development credit will be available in the spring of 2024.
- Eligible participants will be notified and provided with credit registration instructions.
