

I know it is too early for this, but when we know for sure about the state fair.

Announcement of the Fair won't happen until end of May early June.

Suggestions for using extended contract days since there is no State Convention.

What items should I put on my summer calendar - what will the state accept because things are cancelled?

How do we go about planning our summer calendar to submit for approval if we aren't sure when makeup CDE's could be held this summer?/State fair?/Land Judging? Just curious how specific they need to be or can they be more of a unit plan to meet days of extended contract?

SAE visits can still take place. Do them virtually. Goal setting and planning in the AET.

Have students come into your facility to complete projects/activities if we

FFA activity day - Summer meeting

Lab organization/inventory

SDS sheets and safety checklist

Are there plans for an agriscience fair? Report only?

Agriscience Fair applications are to be submitted electronically through AET by June 1st.

This is the full application that can be forwarded on to National FFA for consideration.

All items must be met before they can be submitted.

Will there be awards for officer books this year?

No there will no awards or recognition for officer books in 2020.

How do you get students to buy into your FFA program? The usual stuff just isn't working

Regular meetings with social/fun activities

Incentive trip

Requirements to attend National Convention, Winter Leadership, State Convention

Use your officers to brainstorm activities. Use your POA.
