

# TOP 10 WAYS FFA CHAPTERS CAN RECOGNIZE, CELEBRATE & ENGAGE

1. **Create a video** announcing awards. Ask your mayor, superintendent and other community leaders to be part of it.
2. **Write a letter to the newspaper** from the chapter officer team or president celebrating accomplishments from the past year.
3. **Create a Top 10 list of memories** from 2019-20. Share them out via social media, letters to members and parents.
4. **Yard signs or yard decorations** celebrating awards, thanking sponsors and recognizing seniors.
5. **FFA Celebration Day or Week.** Post on your school website or social social media celebrating and highlighting key moments and accomplishments from the year. Create fun things for people to do such as a scavenger hunt or "virtual" ag in the classroom.
6. **FFA Spotlight Members.** Highlight your members, award winners and seniors through a picture and small write up. Post online and submit to your local paper.
7. **Letter Challenge!** Chapter members draw names and send something in the mail to each other. Get together online and vote for categories such as most outrageous, best coloring, etc.
8. **Convert your banquet to a virtual banquet.** What an amazing photo that would be with a screen full of blue jackets!
9. **FFA Gear Challenge**--Invite members to take a photo at home in their FFA gear or official dress doing something that represents FFA.
10. Invite your officers to take turns being the **"Motivational Messenger of the Week"** sending out daily messages to chapter members every day.
