

Topics for Discussion

Education & Extracurricular

- What were the most valuable education opportunities you have had to prepare you for your job? How important has formal education been? How important has self-education been?
- How important is it to have graduated from a big-name post-secondary school?
- How important are certifications?
- How critical have outside activities been to your career? Professional societies? Continued education?
- How much reading do you do on the industry monthly? How much has it contributed for your success?

Perspectives from Your Industry Experience

- What is the most common error you've seen people make that's prevented them from advancing as far as they could have in your field? Any suggestions as to how to prevent this from happening?
- What are the criteria you use when hiring individuals and identifying suppliers/vendors to work with? Do you have an ideal client?
- How do you move up to the next level when your job responsibilities (managing people, etc....) include something that you've not done before?

Requisite Skills

- What are the most valuable skills you use on your job? How did you acquire those skills?
- How important are marketing/sales skills in your field's success? How important are relationship building/teamwork skills? If important, how did you develop those skills?
- What do you think is the best position to pursue, for someone completely new to this industry?

North Dakota Career and Technical Education - 50th Professional Development Conference

INDUSTRY ROUND TABLE PRESENTERS

<p>Agassiz Seed & Supply Agriculture https://www.agassizseed.com Phone #: (701) 390-3356</p>	<p>Chris Baranko cbaranko@agassizseed.com</p>	<p>Company Profile: Agassiz Seed & Supply, a wholesale agricultural distribution company founded in 1985, has grown steadily over the past 35 years. In that time, we have added several new product lines, including sweet corn, forage harvest supplies, DOT seed, and erosion control products. We have grown from three employees in a single location, servicing North Dakota, Minnesota and South Dakota, to more than 45 employees in 4 locations that service the additional geography of Wisconsin, Iowa, Nebraska, and Montana. The customer comes first at Agassiz Seed & Supply; our main objective is to promote long-term, successful partnerships which help our customers & vendors grow their respective businesses.</p>
<p>Bank of North Dakota Banking & Finance https://bnd.nd.gov Phone #: (701) 328-5730</p>	<p>Ross Munns, HR Generalist rmunns@nd.gov</p>	<p>Company Profile: The Bank of North Dakota employs 181.5 full time equivalents employees. The 1919, State Legislature created the State Industrial Commission whose function was to conduct and manage, on behalf of the State of North Dakota, certain utilities, industries, enterprises and business projects. The Industrial Commission was charged with the operation, management and control of BND. The Commission is composed of the Governor who acts as Chairman, the Attorney General, and the Agriculture Commissioner. In 1969, an advisory board was established and is made up seven governor-appointed members. This group reviews the Bank's operations and makes recommendations to the Commission. In addition to the Industrial Commission and the Advisory Board, BND has a seven member executive committee.</p>
