You must complete the Assignment and Session Tracking online on the portal listed below, found on the ND CTE website (PDC GRADUATE CREDIT TAB) AFTER THE CONFERENCE IS FINISHED; NO reminder email will be sent to you to do this.

KEEP TRACK OF WHICH SESSIONS YOU ATTEND!!!! Start marking your program so that you will remember later!! Within the Assignment online form, you will choose (from a list for each hour of the conference) which sessions you attended each hour in order to log fifteen (15) *instructional* hours total and complete the credit.

Again, the portal for the Assignment will only open on the link below at

NOON on Wednesday, August 9.

You then will answer two (2) short essay questions with **COMPLETE SENTENCES and punctuation**. You may start thinking about your responses already, as the questions are:

1. What was the most valuable session you attended at PDC this year and why? Describe briefly why you chose this session, who the presenter was, and what you learned.
2. In what ways will you apply what you've learned at the entire conference? Name three ways you will use what you have learned.

All Assignments must be submitted only on the ASSIGNMENT LINK above by August 21nd (Monday) by NOON.

ABSOLUTELY NO EXCEPTIONS TO THE DEADLINES OR FORM OF SUBMISSION!
