

North Dakota Career and Technical Education (CTE) Coordinated Plans and Eligibility Criteria for the ND CTE Scholarship Program

There are many Coordinated Plans of Study for students to choose from to complete the “two credit plan of study” requirement specified in [Section 15.1-21-02.4](#) of the North Dakota Century Code.

The plans of study are organized by the eight ND CTE Program Areas:

- [Agricultural Education](#)
- [Business Education](#)
- [Family and Consumer Sciences Education](#)
- [Health Sciences Education](#)
- [Information Technology Education](#)
- [Marketing Education](#)
- [Technology and Engineering Education](#), and
- [Trade, Industry, and Technical Education](#)

How to use the Coordinated Plans of Study (EXAMPLE)

The figure below lists courses included in the “Individual and Family Studies” Coordinated Plan of Study.

To complete two “units” of credit in this coordinated plan of study, a student chooses two or more courses to equal that number of credits.

The following is an example of how a student might fulfill the two-credit requirement:

- 09025 – Independent Living (for 1 credit)
- 09129 – Individual & Family Health (for 1/2 credit), and
- 09136 – Cultures and Cuisine (for 1/2 credit)

There are countless combinations of courses that students can take to complete the 2 required credits from one of NDCTE’s Coordinated Plans of Study. The additional two CTE credits required for the CTE Scholarship can come from any CTE course for grades 9-12 listed at www.nd.gov/dpi/districtschools/course-codes.

Family and Consumer Sciences – Coordinated Plans of Study		
Hospitality & Tourism Career Cluster		
Course Code	Description	No. of Cr
09022	Family & Consumer Sciences I	¼, ½, 1
09023	Family & Consumer Sciences II	½ or 1
09024	Family & Consumer Sciences III	½ or 1
09025	Independent Living	½ or 1
09028	Consumer & Resource Management	¼, ½, 1
09129	Individual & Family Health	¼, ½, 1
09140	Individual Family & Consumer Sciences Studies	¼, ½, 1
09131	Nutrition and Foods Prep I	½ or 1
09137	Nutrition & Fitness	½ or 1
Restaurant & Food/Beverage Pathway		
Course Code	Description	No. of Cr
09135	Nutrition and Foods Prep II	½ or 1
09136	Cultures and Cuisine	½ or 1
09138	Food Science & Technology	½ or 1
09213	Food Service/Culinary Arts	1 or 2
09250	Occupational Exploration	½ or 1
09299	Cooperative Work Experience	½ to 2

Please note: Barring individual school requirements, unless the description of the course on the www.nd.gov/dpi/districtschools/course-codes indicates that the course requires a prerequisite, or the course is in a “numbered sequence, I, II, III” students can take the courses listed on the Coordinated Plans of Study in any order. They do not have to be taken in any sequence. (Again, this holds true unless an individual school has made other decisions regarding course sequencing for their school.)

For a complete listing of MIS03 course codes, visit the DPI website: www.nd.gov/dpi/districtschools/course-codes.

DPI looks at the course codes reported on teachers’ MIS03s to determine the courses included in a school’s curriculum. **Please remember - teachers must be licensed to teach the course work (by ESPB); however, CTE credentialing is not required for teachers, nor does a class have to be taught within a CTE funded program.**
