

## Annual Conference

August 2-4, 2022

CENTRAL LAKES COLLEGE

## Midwest Teachers of Transportation and Industrial Areas Annual Professional Development Conference

**August 2-4, 2022 | Central Lakes College - Brainerd, MN**

Technology is changing at a rapid pace. It is crucial for a transportation teacher to stay up-to-date. At MTTIA there are hands-on training sessions with the latest vehicle technologies and classroom teaching strategies from professional trainers and OE manufactures. MTTIA features advanced hands-on training in the areas of: Automotive, Auto Body and, Diesel Equipment and Heavy Truck. MTTIA also features introductory hands-on training in the areas of: Small Engines/Powersports and Welding.

### Benefits Beyond the Annual Training

- + Certificate for 20 hours of CEU's for program accreditation and teacher training requirements
- + Partnership with St. Cloud State University making training eligible for college credit
  - + Trade show vendor tool & equipment discounts
  - + Network with industry, employers, and instructors

### REGISTRATION

Early bird cost: \$175\*    After July 24th: \$200\*

Your ticket includes three lunches, two dinners, and a boat cruise! For additional attendee dinners, please add \$38.00 per person plus fees. Costs for conference, travel, and lodging are Perkins eligible.

[Register Here](#)

### LODGING AND TRAVEL

The evening activities will take place at [Cragun's Resort and Hotel](#) on Gull Lake in Brainerd, MN.

[Book your room at Cragun's here](#) by June 17th!

The [Brainerd Lakes Regional Airport](#) has a Delta connect jet service to the Minneapolis St. Paul airport at reasonable rates.

### Trade Show Vendors & Sponsors

The MTTIA Trade Show takes place just outside of the Central Lakes College cafeteria on Wednesday, August 3rd from 4:00 - 6:00 pm. Vendors have the opportunity to network with secondary and post-secondary educators from across the midwest.

\$250\* per table | [Register by July 26th](#)

**Sponsors:** If you would like to donate towards our training or festivities please [donate here](#).

We greatly appreciate industry supporting our needs and the creation of future technicians. Donations will go towards lunches and other necessary items for our attendees. Thank you for considering!
