

COVID-19 ND Career and Technical Education Updates and Guidance

Budget Reimbursement Process (BRP) Deadlines

In spite of the current COVID-19 pandemic, the following deadlines still remain.

- 2019-20 State plans are due May 31st or as soon as can be received but no later than June 30th
- 2019-20 Perkins plans are due May 31st or as soon as can be received but no later than June 30th

These deadlines remain as reimbursements must be complete prior to mid-July 2020. At that time, the state accounting system is closed.

- 2020-21 State plans are due April 30th
- 2020-21 New program requests/expansions are due April 30th

This is a simple process, that can be completed quickly. Simply log into the [Budget Reimbursement Process](#) site, review the existing budget and submit. This will notify the agency if the school district, area career and technology center or college intends to continue to offer the program.
