ACTE WBL Professional Development Webinar

AUGUST 25 @3PM EST

Getting Started with Work-Based Learning

Join work-based learning professionals for a discussion on best practices, resources, tips and tricks, and more! Our presenters will share their perspectives on the why and the how of WBL. Whether you are starting a new program or looking for new ways to start your school year strong, this presentation will offer great ideas for heading back to school with work-based learning!
