

*You want to build & retain your best team.*

# It's time to extend your talent pipeline.

You've tapped all of the traditional models of finding talent and are looking for new ways to build your pipeline. Well, we created one.

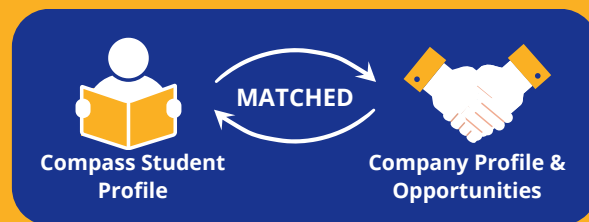

Today's high school students will be tomorrow's workforce. Our system allows you get connected & develop the talent you need.

Let us show you how!

## What is Compass?

Compass by Golden Path Solutions is an innovative workforce platform that **matches** employers with high school students based on traits, interests, and talents.

Compass is now available state-wide in North Dakota and growing in Minnesota.

## THE GOLDEN PATH TO YOUR IDEAL WORKFORCE

Follow these 4 steps to create the best talent pipeline for you.

*(Integrated with RUReady.ND.gov in North Dakota)*

1

Create your Employer Account in Compass - <https://bit.ly/gps-sign-up/>

2

Sign up for the Employer Connections Database

*Share your company overview and contact info with schools across the region - offer to join career fairs, guest speaking, etc.*

3

Explore options & drive your desired outcome in Compass

*Publish work-based learning at no cost, or use memberships to drive student awareness, connections, or an engagement strategy.*

### Work-Based Learning (WBL)

Students interact directly with your company and build skills necessary for your company.\*

### Career Profiles

Share info on your company & roles, get matched with students.

### Sponsorship

Help a student with tuition in exchange for a work agreement.

4

Let Compass connect you to the students you're looking for!
