

You want to build & retain your best team.

It's time to upgrade your talent pipeline.

You've tapped all of the traditional models of finding talent and are looking for a new way to build your pipeline. Well, we created one.

Today's high school students will be tomorrow's workforce. Our system allows you to get connected & develop the talent you need.

Let us show you how!

What is Compass?

Compass is an innovative workforce platform that **matches** employers with high school students based on traits, interests, and talents.

Compass is now available to all ND students.

THE GOLDEN PATH TO YOUR IDEAL WORKFORCE

Follow these 4 steps to create the best talent pipeline for you.

Click each step to take action!

1 Create your Employer Login in Compass - <https://bit.ly/gps-sign-up>

Fast and easy - get started with access to the latest workforce development tools and your future workforce.

2 Join the Employer Connections Database

Located in Compass. Get your company in front of schools across the state - offer to join career fairs, guest speaking, etc.

3 Explore & build your workforce development options on Compass (integrated with RUPrepare.ND.gov in North Dakota)

You can do this yourself or let our experts guide you through the process (recommended for best results).

Work-Based Learning (WBL)

Students interact directly with your company and build skills necessary for your roles.*

Career Profile

Share info on your company & roles, get matched with students.

Sponsorship

Help a student with tuition in exchange for a work agreement.

4

Let your pipeline funnel skilled and engaged talent to your company over time!
